contente:

What is the annual revenue of 1xBet? The 1xBet annual revenue was \$8 million in 2024.

This is not the first time that 1xBet players have won enormous sums. At the beginning of 2024, another resident of Almaty won almost 9 million tenge at 1xBet. However, the current 876 million is a new record, and this is the largest win in the history of betting in Kazakhstan and the CIS.

1xBet does not provide a maximum limit for payouts. Thus, you can withdraw as much cash as your preferred payment method permits. However, the 1xbet casino terms state that if you cash out winnings above R\$10,000, the operator's partners have to approve the payment first.

Established in 2007, 1xBet is an online gambling and betting platform. The organization, which started out as a Russian online betting company, has expanded to become a major player worldwide.
