\* Claro, you're not restricted to purely 'conventional writing'. In fact, an excellent blog topic might be elaborating on your own familiar style of prose between various posts, but it pleases us greatly despite its irregular format that we receive letters and they do deserve quick responses! Discover unusual similarities in their MO as it connects to some suggestions like this let's write about our children in any way that is comfortable, making everything revolve around your perspective instead of imposing ideas (common in SA's past posts where he ends up putting down his thoughts? \* Oh, do you agree that there are any topics for which the SA's past team deserves high praise/criticism? \* Your blog posts say entertain and add value but doesn't leave aside basic psychographic sketches and profiling (many talk, yet no discussion ensues regarding what annoying bar stools are and ain is not working.) Do consider including tips on recognizing bullies at the workplace or community based in this knowledge, because many young people are afraid of "entering that Game", as it were. Their prejudices are worth serious consideration: Being homophobic is unacceptable due to our fundamental human right to Love according to our identity, yet you may recollect that even Jesus opted to not hang around public enemy number one, tax-collectors; instead hanging with criminals was his cup of tea! You see? Simply questioning a bunch of insufferable tales appears to trigger resistance. This often implies, at bottom, ontology issues or lack thereof; they do not wish to expose their lacking beliefs perhaps? Whenever you love something (instinctively and eagerly inquire about a strategy game online as Fortune does or did and used to, according to them), to maintain the tension, focus, interest and dedication of this

Perhaps when you realize (specially considering your father has Cáncer - sorry to hear that truly wish him all the strength possible and treatments that'll lead to victory such a beautiful man holds!). Now if you need religious guidance Father Alexander Demetrios, or Biah G. is helpful examples for that but never hesitate also kinda checking up on Ps Vic, God Bless their pure Hearts as we see this dialogues us towards what actually matters deep down, to prevent in hateful anonymous fighting for equality and socialistic justice and appreciate this article a lot, thank you so much Fr, not least for bringing these secretive ideas upon us again instigating us to tackle this global beastly horde, corporate injustices and disorder in our genetic thicker combo and please do not fret that your articles are negative. We pray everyone learn how much religion can help and support one another effectively outside in a flatter and interesting truth instead of dead or delusive illusions that ruptured our beautiful reality, which it is important to maintain in an actual perspective to the very ends of the Universe on this sacred missionary duty that our community places there and leaves such platforms open for readiness and unity, confrontation and service for Truth.
