What are GTA Games?

GTA is a game franchise that lets the player be the master of his or her own destiny. From cars to mansions, to living the life of their dreams, the player is in control of his own life and must make choices that will determine the outcome. This is not a win or lose the game, it involves strategizing and critical thinking to solve problems and make it to the next level.

How can you play GTA online games?

GTA is

the acronym for Grand Theft Auto, a series of games produced by Rockstar Games. There are 5 games in the series...GTA, GTA 2, GTA 3, GTA 4, and GTA 5. The games were produced from 2000 to 2013. You start out as a criminal stealing cars, selling them to chop shops, and doing other questionable activities. When you commit a crime, the police are instantly alerted and will be on you in a second. The more wanted you are, the more aggressively they will hunt you.

The online GTA Games follow the general

storyline of the original games with familiar characters and story lines. Grand Theft Auto is the first installment in the GTA games and introduces you to the world of fast cars and lots of money. Here is an outline of the GTA Game and what they are about.

Grand Theft Auto

There are 8 different characters in the original game that you will come in contact with: Travis, Troy, Bubba, Katie, Kivlov, Divine, Ulrika, and Mikki. You choose missions and the weapons, cars, and accessories needed for the job. You have to be careful, though. You are vulnerable to other players and police. You take on the role of assassin for the mob, rob people, and steal just about everything in the game.

Grand Theft Auto 2

This second installment is geared more for the career

criminal, joining the ranks of the Russian Mafia and working for gangsters. There are many more heists, assassinations, and firepower than the previous version. You work for the crime bosses, doing the dirty work and collecting the money.

Grand Theft Auto

III

The graphics in this version of the game are stunning and realistic. The setting is based on the city of New York, but called by a different name. The storyline centers on a guy named Claude, a low-life criminal who gets shot by his girlfriend after a botched bank robbery. He escapes death but gets caught by police and put in prison. He breaks out of prison and returns to get revenge.

Grand Theft Auto IV

In Grand Theft Auto IV,

your character is Niko Bellic. He is just trying to make a living but soon falls into the trap of illegal activities. Niko served in the military and fought in Bosnia. Most of his squad was killed and he was deeply traumatized. He had intended to start a new life, but was led astray by women and riches. The 3D graphics in the game are very good.

Grand Theft Auto V

GTA 5 is perhaps the most popular game of this series. The story takes place in Los Santos, and introduces new characters Michael De Santa, Franklin Clinton and Trevor Philips. Michael and Trevor were best friends and pulled a bank job together that went south. Micheal fakes his own death and Trevor disappears. The game reunites them in a bigger than ever adventure with the FBI, lots of money, flashy cars, and ritzy mansions.

Experience the same thrills and adventure in the games

like GTA. Play Car Thief: GTA, GTA Mad City, Lose the Heat, and more. The open world games offer the freedom to play your way, and experience life in this world.
