Poker tool software company

PokerTracker Software, LLC is the name of a poker tool software company that produces the PokerTracker line of poker tracking and analysis software.[1][2] PokerTracker's software imports and parses the hand histories that poker sites create during online play and stores the resulting statistics/information about historical play into a local database library for self-analysis, and for in-game opponent analysis using a real-time Head-up display.[1]

The software allows the user to monitor each poker session's profit or loss, hands played, time played, and table style. It calculates and graphs statistics such as hands per hour, winnings per hand, winnings per hour, cumulative profit and loss, and individual game profit and loss across multiple currencies.

Products [edit]

The logo associated with PokerTracker 3

PokerTracker Software, LLC produces poker analysis software. Examples include PokerTracker Holdem v2, PokerTracker Omaha v2, PokerTracker 3 Hold'em (PT3) for Texas Hold 'em, PokerTracker 3 Omaha (PTO) for Omaha Hold 'em, PokerTracker Stud for Stud poker, and TableTracker.[3] The company previously developed the PokerAce Head-Up Display, also known as PokerAce HUD or simply PAHUD, which provides real-time information for live online poker play;[4] the functionality from this formerly separate application was eventually incorporated within PokerTracker 3. Collectively, the company's software has been described as "among the most comprehensive software programs in the online poker industry" by PokerSoftware.[5] The company subsequently developed PokerTracker 4 in 2012 and 2013, which is its most recent software development.

PokerTracker 3 [edit]

The general info tab view of a sample database in PokerTracker Holdem v3.00 beta 29, including user customized columns such as final tables and highest percentile finish.

In September 2009, the company announced that as of March 31, 2010, PokerTracker Holdem v2 would no longer be supported. The decision was made because PokerTracker 3 had been released on May 15, 2008, nearly two years prior to the end-of-life date. The company felt that discontinuing support of v2 would avail resources which could be dedicated to improving PT3 and

providing exceptional customer service.[6][7] Similarly, on December 31, 2010, PokerTracker Omaha v2 would no longer be supported, as its features have been completely integrated into the PokerTracker 3 product line.[8]

PokerTracker 3 supports online poker from the following poker networks and/or sites: 888 Poker Network, Bodog, Boss Media, Cake Network, Cereus Poker Network, Entraktion Poker, Everest Poker, Full Tilt Poker, iPoker, Microgaming, Merge Gaming Network, OnGame, PartyPoker, PokerStars and Winamax.[9] PokerTracker is available natively for both Microsoft Windows and Mac OS X-based computers.[7]

PokerTracker 3 competes against several similar programs.[10] According to Total Gambler, its most notable competitors are Hold'em Manager and PokerOffice,[10] while Pokersoftware considers only Hold'em Manager to be a serious competitor.[11]

PokerTracker 4 [edit]

PokerTracker 4 is poker tracking software that is designed for several types of online poker: No-Limit, Limit, or Pot-Limit cash games, Sit N' Go's and Multi-Table Tournaments for both Texas Holdem and Omaha players.[12] It is compatible with almost all online poker websites' software and interfaces.[13] PokerTracker 4 began public beta testing in March 2012.[14] In August 2012, the company commercially launched a Microsoft Windows version of PokerTracker 4.[15] In January 2013 as PokerTracker version 4.05.10 was rolled out, the company began alpha testing an Apple OS X version of the software.[14][16] PokerTracker 4 was produced from scratch rather than by refining PokerTracker 3 and other earlier versions.[17]

Software features [edit]

On most online poker sites, players can have the client software create a locally stored text file that records the hand history as shown in the 'Sample Hand History' example. These hand histories summarize the details of the hand in a format that can be parsed by computer software. PokerTracker reads these files and extracts the relevant information, which it converts into a database for later review or statistical analysis.[11] The software is capable of combining hand history details of multiple accounts from different online poker services, which allows a user to

aggregate his or her data.[18] Statistical summaries can be consolidated from different poker sites regardless of whether the user's screen name is the same at each site.

PokerTracker is capable of analyzing cash ring games in which players play for cash during each hand, sit and go tournaments in which players compete for set prizes after the prescribed number of competitors join the tournament, and multi-table tournaments in which players compete for tournament prizes based on the total number of entries at the scheduled start time. Statistics can be tracked by position, session, tournament, best & worst hands, and hand results. This helps the user analyze statistics based on starting hand or final hand. The software also enables the user to replay any specific hand.[19]

The software's database uses tournament summaries such as the 'Sample Tournament Summary' example and hand histories to provide a three section summary (see infobox screenshot). The top section of the general information tab provides tournament summaries of profit/loss as well as ordinal placement summary. The other sections summarize situational statistics based on the level of the blinds and the starting hand. Additional tabs in the software produce detailed information for various statistical interests.

PokerTracker's probability graphs, as well as historical statistics of the hands a user and his or her opponents have played, enable the user to analyze conditional statistical possibilities and optimal betting amounts. The situations it analyzes are conditional on the opposition's playing characteristics and the player's position relative to the dealer.[20] Graphs can be produced for a single session or for any part of one's playing history.[19] One of the biggest improvements in PokerTracker 3 over PT2 is that it is fully customizable so that all statistics and reports can be tailored to the individual user.[11][21] The Guardian claims most serious players use

PokerTracker during online play to constantly calculate situational optima.[22]

PokerTracker 3 version v3.00 beta 29 Profit graph

PokerTracker 3 is also known for its integrated heads-up display, a transparent video overlay data presentation that makes statistics and notes are readily available during play. The HUD allows an online poker player to focus his attention on the poker table he or she is playing at, rather than on the PokerTracker application. The HUD provides a vast array of realtime statistics for in-game analysis, customizable to the user's preference.[19] In addition to the statistics available constantly during play on the poker window, detailed statistics are available in a pop-up window, accessible via a single mouse click.[23] Marbella Slim of the Daily Star used the vision of Arnold Schwarzenegger's Terminator character in an analogy with the HUD: "In some scenes, you get to see what the robot Terminator is seeing and he has all these data streams in front of his vision - it's a HUD or a head-up display."[24] Unlike other poker tracking products, PokerTracker 3 includes a HUD as part of the basic program.[11] The PT3 HUD, which automatically overlays a player's opponents' statistics next to their avatars, is essentially a built-in version of the formerly available PokerAce HUD.[21]

PokerTracker v2 will no longer be supported after March 31, 2010.

PokerTracker 3 also offers a monthly subscription-based service called TableTracker.

TableTracker is an integrated service that automatically identifies ring tables with competition suitable to the user's playing style.[21] PokerTracker's servers constantly monitor which players are playing and what tables they are playing at on various major poker sites,[25] which allows TableTracker to find the weakest players across multiple online poker websites.[19] The user can search based on the software's built in scoring system or any other statistics of his or her choosing.[25]

Use and legality [edit]

PokerTracker 3 includes a HUD overlay as seen in this Pokerstars online poker session

Serious poker pros and casual amateurs alike can benefit from the poker tracking software,[26] and poker magazines such as Card Player repeatedly remind poker players of the usefulness of tracking software.[27][28] Total Gambler says that in addition to experience and skill the other necessity for a gambler to become a professional poker player is a good software package such as PokerTracker.[29]

Several websites portray PokerTracker as either the world's leading or the world's most popular poker tracking software. For example, Pokersource describes it as "the most popular poker tracking and analysis software available"[2] and Party Poker describes PokerTracker as "the original and largest piece of poker tracking software".[21] PokerSoftware says "Poker Tracker has been the industry standard ... for years".[11] Total Gambler says that for more than a two-year period PokerTracker 2 was the "prominent force in online poker tracking", but at the time of its December 2008 review it speaks of this leadership position in the past tense, noting that PT3 had not yet been "fully released" at the time of its testing.[10]

Major online card rooms forbid the use of software that gives a player an "unfair advantage." This typically includes software that allows players to share their hole cards with other players during live play and software that automates decision making. Since PokerTracker software doesn't fit into either of these categories it is generally allowed on most sites, including industry leader PokerStars.[2][30] Legality aside, some players feel the use of PokerTracker takes away from the game; for example, Victoria Coren of The Guardian remarks "there is only one downside [to using PokerTracker]. Where's the bloody fun in it?"[22]

qual o site oficial da betano :bayern rb leipzig

Mantenha a volatilidade nas apostas Aviator., baixo alto baixa baixar N Esta é uma das melhores dicas para jogadores de jogos Aviator. Ele permite que você reduza o risco, perder qual o site oficial da betano aposta! Isso ocorre porque os ganhos são menores e mas eles são frequentes., A Betano é uma plataforma de apostas desportivas em qual o site oficial da betano constante

crescimento no Brasil, e o seu aplicativo móvel oferece aos usuários uma experiência única e emocionante, perfazendo comodidade e segurança.

Como baixar o aplicativo Betano

Baixar o aplicativo Betano é simples e rápido. A Betano disponibiliza um botão de download no seu site oficial, bem como uma variedade de tutoriais passo-a-passo que guiam o usuário durante o processo.

Abra o site da Betano no seu navegador móvel, como o Safari ou Chrome.

Role até o rodapé do site e clique no botão "Download our Android app" para download no Android ou "Baixar no App Store" para iOS.

Relato de uma jornada gastronômica de 24 horas no Glastonbury

Fui incumbido de comer o máximo de alimentos interessantes e surpreendentes 6 possível qual o site oficial da betano 24 horas no Glastonbury. Idealmente, gostaria de planejar isso sem ter que visitar os suspeitos banheiros compostáveis com 6 muita frequência, embora eu jogue rápido e solto com essa possibilidade com algumas encomendas corajosas e combinações ambiciosas. Minha primeira 6 refeição após chegar ao local à tarde de quinta-feira é camarão preto e batatas fritas cajun na sempre movimentada Baía, 6 seguido de momo (um aperitivo do Himalaia) da Taste Tibet - tudo lavado com uma sidra de laranja e limão 6 que sabe como uma mistura entre sangria e xampu.

Depois de uma série de bebidas, incluindo uma lagerita congelada (uma margarita 6 tradicional com cerveja qual o site oficial da betano cima) e um daiquiri de morango e melão de água, pensamentos de comida desaparecem por um 6 curto período ... até que meu amigo comete o que prova ser nosso primeiro grande erro culinário - encomendar um 6 enorme pudim de Yorkshire com molho de carne e salsicha às 3h35 da manhã. É a definição do comportamento degradado 6 e, no entanto, de alguma forma - apesar de todos os três componentes do prato saberem a madeira - conseguimos 6 engolir antes de desmaiar qual o site oficial da betano nossas tendas.

Refeições

Camarão preto e batatas fritas cajun na Baía
Momo (aperitivo do 6 Himalaia) da Taste
Tibet
Gigante Yorkshire pudding com molho de carne e salsicha

Bebidas

Sidra de laranja e limão
Frozen lagerita (margarita tradicional com cerveja qual o site oficial da betano cima)
Daiquiri de 6 morango e melão de água

Sexta-feira de manhã começa com um kedgeree de salmão da Goan Fish Curries, uma instituição do 6 West Holts, com uma limonada caseira de damasco. Há delícias fascinantes a pleno prazo - como chupetins feitos de horchata 6 (uma bebida mexicana adoçada de leite de arroz) com tempero de lima e pimenta de chili, por exemplo, ou o 6 que um colega jura ser um "hambúrguer de boi servido com geleia de morango". A comida no festival é hoje 6 tão diversa e deliciosa que ninguém se restringiria a apenas uma coisa. A cultura dos caminhões de fast-food está firmemente 6 enraizada na cultura britânica hoje - e o Glastonbury o replica qual o site oficial da betano grande escala.

A coisa que une verdadeiramente a experiência 6 alimentar aqui, no entanto, é as pessoas que você encontra enquanto se esfrega no alimento - todas as quais abraçam 6 a conversa e o compartilhamento de alimentos de uma maneira que você nunca experimentaria qual o site oficial da betano um estabelecimento Michelin. Pessoas como 6 Jessie, o vendedor de sorvete mais sorridente de toda a Somerset. A Shepherds Ice Cream tem estado funcionando no Glastonbury 6 há mais de 30 anos e construiu uma base de fãs leais graças ao seu nicho uso de leite de 6

ovelha qual o site oficial da betano vez de leite de vaca, o que produz um gelato mais leve. Enquanto eu demolho um creme de 6 café vietnamita com cobertura de Biscoff, Jessie me conta como ela viu crianças que ela costumava servir retornarem ao festival 6 como adultos. Ela também relata talvez a anedota de foodie mais dedicada do fim de semana, uma que faz meu desafio 6 parecer cerveja (ou cerveja congelada, pelo menos). "O homem que costumava dirigir o acampamento para deficientes amava nossos sorvetes tanto 6 que viajava todo o caminho através do local do festival e então comia dois cones duplos quando chegava", ela diz. 6 "Quando qual o site oficial da betano deficiência o tornou muito difícil, qual o site oficial da betano família foi buscar seus cones duplos e eles os transportavam de volta 6 usando uma caixa isolante. Isso é dedicação!"

Tudo isso deixa espaço para a experiência gastronômica fina no Glastonbury? Certamente - no 6 Rocket Lounge, não muito tempo depois que a banda de ska The Trojans trouxeram seu conjunto ruidoso a um clímax.

Ravioli 6 de lagosta da Cornualha com bisque de conhaque e cebolinhas crocantes? Lamb, sweetbread e morel wellington? Truta do mar assada 6 com velouté de caranguejo de Devonshire? Seria realmente rude não tentá-los. Mas, embora no domingo eles estejam servindo 436 jantares 6 no domingo qual o site oficial da betano 55 minutos, você ainda precisa planejar à frente. Ao contrário da maioria das opções alimentícias do Glastonbury, 6 os comedores podem comer apenas aqui se tiverem reservado as mesas muito populares antecipadamente. A comida é deslumbrante, acompanhada por 6 uma banda folk romena atmosférica e a companhia é divina - estou sentado qual o site oficial da betano uma mesa ao lado de Caroline 6 e Steve, que viajaram de Amsterdã. Eles comeram aqui há 10 anos e retornaram ao Deluxe Diner para cada festival 6 desde então. O chef principal Andy e o gerente de restaurante Leo me contam na grande área de cozinha como 6 houve muitos aniversários e noivados aqui. Um cliente até reserva uma refeição para cada dia do festival para que possa 6 experimentar cada item no menu.
